## SERBATOI

Tank | Réservoir | Tank | Tanques | Deposito

L'inchiostro contenuto in un Serbatoio **è il doppio (2x) o addirittura il quadruplo (4x) di una cartuccia standard** (per Decojet A4). Ciò significa sostituzioni meno frequenti e quindi ridotta manutenzione!

The ink contained in a tank **is double the amount (2x) and even up to four times (4x) more than a standard cartridge** (for Decojet A4). This means less frequent replacement and therefore less maintenance!

L'encre contenu dans un réservoir est **le double (2x) ou même le quadruple (4x) d'une cartouche standard** (pour Decojet A4). Cela signifie moins de remplacements et donc moins d'entretien!

Der Fassungsvermögen von dem Tank **ist zweimal (2x - bei dem kleinen Tank) oder viermal (4x - bei dem großen Tank) mehr im Vergleich mit traditionellen Patronen** (für Descojet A4). Ökonomische Ersparnis der Tintermenge: dies bedeutet weniger Austauschen und deswegen eine minimale Wartung!

La tinta contenida en un tanque, es **el doble (2x) o cuádruple (4x) de un cartucho standard** (para Decojet A4). Esto significa reemplazos menos frecuentes y, por lo tanto, poco mantenimiento!

A tinta que contem o depósito, é **o dobro (2x) ou o quadruplo (4x) de um tinteiro standard** (para Decojet A4). Isto significa substituição com menos frequência e, pelo tanto, pouca manutenção!

Tutti i kit, serbatoi e cartucce Modecor **NON sono ricaricabili** e funzionano unicamente con stampanti Modecor

All tanks, kit tanks and cartridges by Modecor **are not recharchable** and can be used only with Modecor printers

Les kits, réservoirs et cartouches Modecor **NE SONT PAS rechargeables** et fonctionnent uniquement avec les imprimantes Modecor

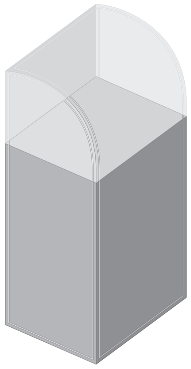

Alle Kits mit Tanks und Patronen von Modecor sind **NICHT wiederaufladbar** und funktionieren nur mit Modecor-Druckern

Serbatoi che durano più a lungo, significa: **meno sostituzioni, meno spreco di inchiostro durante le sostituzioni, e meno spreco di tempo**. Inoltre i Serbatoi hanno un prezzo più basso per ml

Longer lasting tanks mean: **less ink waste during cartridge change, and less wasting time**. In addition, tanks have a lower cost per ml

Réservoirs qui durent plus longtemps: **cela signifie moins de remplacements, moins de gaspillage d'encre pendant les remplacements et moins de perte de temps**. En plus les réservoirs ont un prix inférieur par ml

Durch den vergrößten Fassungsvermögen **ist der Austausch der Tanks weniger häufig, das heißt weniger Tinten- und Zeitverschwendung**. Dazu ist der Preis pro ml mit den Tanken billiger

Tanques que duran más tiempo, significa: **menos reemplazos, menor desperdicio de tinta durante los reemplazos, y menor pérdida de tiempo**. Además, los tanques, tienen un precio más bajo por ml

Depósitos que duram mais tempo, significa **menos substituições. Menos desperdício de tinta durante a substituição, e menos perca de tempo**. E os depósitos tem um preço por ml inferior
